

# Helping SaaS brands turn traffic into revenue

ACTUALLY CONVERT GOOGLE & AI TRAFFIC

**We work with ambitious SaaS companies that are ready to get things done.**

If you're ready to get serious results, you might be a fit. We're selective about partnerships because mediocre clients get mediocre results. We don't do mediocre.

## LITE PACKAGE

Our foundations package averages **1.5 - 2x ROI** within 12 months of investment as we optimize pre-existing content, create new content, and build links to improve visibility for organic and AI-powered search.

Link Building Done for You

**Starting at \$3,000/mo**

End-to-end Content Guidance

GEO: AI Visibility to Build Your Brand's Reputation with LLMs

Monthly Meetings with Extensive KPI Reporting

Technical SEO Support

## CORE GROWTH PACKAGE

Our core growth package averages **2 - 3x ROI** within 12 months of investment as we increase the pace of our backlinking and content services and layer CRO and analytics management on top.

Link Building Done for You

**Starting at \$7,000/mo**

End-to-end Content Guidance

Content writing

**Price varies**

GA4 Setup & Implementation

**Starting at \$3500**

Technical Implementation

**Price varies**

### Why SaaS Leaders Choose Linkflow

**Results driven.** Grounded in how users search, think, and buy.

**Future proof.** GEO sits at the core of every recommendation we make.

**Refreshingly direct.** We say what others won't about SaaS SEO and GEO.

**Selective partnerships.** We only work with clients we can help win.
